### Part II - Grant Services and Experience (Continued)

**8. Please briefly describe your grant activities to date, addressing the following topics where relevant:**

- Whether your core professional activities are what you expected based on award book description and pre-departure information you received
- The degree to which your grant activities are going as you had originally planned
- Relations with colleagues at your institution(s)
- Your teaching assignment (e.g., number and level of courses, number and preparation of students, etc.)
- Whether facilities and resources you need are available at your institution
- Any other factors which have played a major role in either hindering or facilitating your grant activities

*Note: Text boxes have space limits. If you have more to say about an issue, please feel free to send an email attachment (PDF or Word format) to your CIES program officer.*

I have sent an e-mail attachment to Debra Egan.

### Part III - Advice for Future Grantees

**9. Reflect on your arrival in the host country and provide any advice on logistics and getting settled that would be useful to a future grantee considering a similar appointment. Consider including tips in the following areas:**

- Living conditions, including the cost of living
- Money matters - such as how much to bring, what form is preferable (travelers checks, cash, etc.), whether a bank account can be easily established, etc.
- Air freight or other shipments and how to deal with customs
- Visa issues
- Arrival in airport and subsequent travel to destination
- Problems bringing any specific equipment or resources into host country
- Arrangements for family members - such as schooling for children, volunteer opportunities, etc.
- Any other recommendations related to logistics

*Note: Text boxes have space limits. If you have more to say about an issue, please feel free to send an email attachment (PDF or Word format) to your CIES program officer.*
